PROFESSIONAL EXPERIENCE

TEAM LEAD

Instakart Services Pvt Ltd (Ekart Logistics) | Nanpara, Uttar Pradesh | Jul 2024 – Jan 2026

- Kept the hub fully staffed through peak dispatch periods by leading a 20+ member delivery and warehouse team and managing shift schedules, attendance, and daily workforce allocation.
- Moved consignments out on schedule by owning end-to-end goods-in and goods-out flow (receiving, sorting, scanning, dispatching) and coordinating handovers between inbound and outbound transport.
- Caught delays before they affected dispatch and onward connections by running daily team briefings and tracking task completion against targets.
- Gave management clear visibility into team productivity, hub throughput, and on-time dispatch by building and maintaining KPI and MIS reports in MS Excel.
- Shortened new-hire ramp-up time by training and onboarding staff on hub processes, handling procedures, and safety standards.

OPERATIONS & BUSINESS MANAGER

Family-Owned Coffee Shop | Nanpara, Uttar Pradesh | Jun 2020 – Jun 2024

- Prevented stock shortages while controlling wastage and cost by tracking stock levels and coordinating supplier orders with vendors.
- Kept daily sales and cash records accurate by reconciling cash and sales at the close of each day.
- Maintained smooth daily service by scheduling, supervising, and training shop staff.
- Resolved customer service issues quickly by handling complaints directly on the floor.

DATA ENTRY OPERATOR

NIELIT | Nanpara, Uttar Pradesh | Oct 2016 – May 2017

- Delivered accurate operational reports and records by performing regular data validation and quality checks.
- Met task-completion productivity targets by organizing digital and physical filing systems for quick retrieval.
